

Specialist Leader Of Education Profile

Sally-Jo Wilkinson

Background Experience

I have 18 years of teaching experience, in Physical Education, Business Studies, Teaching and Learning and aspects of pastoral. As a leader I believe in an inclusive education for all, with personalised teaching and learning being at the heart of unlocking the potential in young people, no matter what their background, enabling them to attain and demonstrate personal progression throughout their life. In the past two years I have established myself as an inspiring and highly effective senior leader at Windsor High School and Sixth Form. The work I have led has impacted not only the school but also the Trust as a whole.

I have been a successful Director of Sport in an Outstanding department and line managed a variety of subject areas. I became a senior Leader at a school in Kent, leading on Teaching and Learning and PSHE. I successfully completed my NPQ SL and have completed the Growing Heads training facilitated through The Windsor Academy Trust. The Assistant Headteacher role, at Windsor High School and Sixthform, gave me the opportunity to lead on Student Leadership and Enrichment and take on the role of EVC. I quickly made a significant impact within my role, implementing systems for student leadership and improving school outcomes. I have now diversified and I take a lead on Key Stage 3, behaviour and achievement. I manage and co-ordinate the delivery of the PSHE programme and am an active Designated Safeguard Lead.

I have also successfully coached peers through their NPQSL, covering both curriculum and pastoral projects. In addition, I have been involved in the successful recruitment of staff and have completed and utilised my NSPCC Safer Recruitment in Education training.

Areas of Expertise

Secondary Education.

Effectiveness of leadership and management – Curriculum and Teaching and Learning.

NPQSL.

Outcomes for children and other learners – PSHE
